Note: University reserves the right to cancel the admission of any student if it is found wrong now or later that he/she secured admission by giving false information of any kind.

10. Intake of students and Programs/Courses offered by RGUKT:

The intake for each RGUKT campus is 1,000 students, including reservations for special categories. Additionally, 10% supernumerary seats (i.e., 100 seats per campus) are allocated for Economically Weaker Sections (EWS) candidates (excluding those from BC, SC, and ST categories).

The **6-year integrated program** is divided into the following two stages:

- a) **Pre-University Course (2 years):**

The Pre-University Course (PUC) will be offered in **M.P.C.** and **M.Bi.P.C.** streams. The curriculum and examination pattern will align with those followed by Central Board of Secondary Education (CBSE) and the State of Andhra Pradesh.

The following subjects will be taught

- i. Mathematics
- ii. Physics
- iii. Chemistry
- iv. English
- v. Telugu
- vi. Computer Programming
- vii. Biology
- viii. Elementary Biology

b) B.Tech Program (4 years):

Engineering branch allocation will be based on merit in the PUC program, following the rule of reservation as per State Government norms. For M.P.C

The following Engineering branches are offered at RGUKT campuses:

- i. Chemical Engineering (*only at Nuzvid and R.K. Valley*)
- ii. Civil Engineering
- iii. Computer Science and Engineering
- iv. Computer Science and Engineering with specialization in AI and ML
- v. Electrical and Electronics Engineering

11. Important Information to be noted by the candidates:

- a) First-year PUC students of the Ongole campus will be accommodated at R.K. Valley campus. RGUKT reserves the right to make any internal arrangements from time to time, based on institutional requirements.
- b) Since RGUKT is completely a residential University, students who are seeking admission into RGUKT and their parents are advised to note that the attendance is compulsory and there will not be any provision for condonation except in a justifiable medical ground.
- c) There is an exit option available to the students after two years PUC program. They can join elsewhere only after all the academic requirements are satisfied according to RGUKT guidelines. RGUKT follows a multidisciplinary approach. Therefore, elementary biology is compulsory in the PUC programme; pass in biology is necessary although grades in biology are not used either for branch allocation or to arrive at CGPA. Engineering Branches will be allotted based on the merit in the PUC following rule of reservation as per AP State Government norms.
- d) In no case, internal transfer of candidates between the campuses is permitted. Students have to study in the campus where they are admitted.
- e) Candidates who are not eligible for tuition fee reimbursement should pay the full annual tuition fee to the University at the beginning of each academic year. In case Government deposits the reimbursement of tuition fee to the

student/mother account directly, candidates who get tuition fee reimbursement also need to pay the tuition fee to the University within one week from the date of receipt of reimbursement.

- f) Candidates should pay the actual monthly mess charges to the University (approximately Rs.3500/- per month). In case of students who receive MTF should also pay the balance amount in addition to MTF Amount.
